

# JORDAN BERNDT

Journalist & Digital Product Designer

Poznań, Poland

I'm a 25 years old Journalist & Web Designer from France, currently based in Poznań (Poland). I like everything that has to do with New Media environment, like web design, UI & UX design, film making and image edit. I'm currently working as digital product designer with +3 years experience. I also have more than 9 years of experience as a sport journalist and working for newspapers and TV channels. I'm a huge football fan and I just love to feel sports emotions everyday at work. My bicultural education gave me the passion for visiting other countries and discovering new environments. I love working with people, specially if they have the same passion I have for what they do. Why don't we work together? Go futher down to see why I am the man you need to hire!
